Monthly Weather and Crop Report of Bengal for April 1938.

I. *Character of the season.*—During the month under review the rainfall was above the normal only in two districts of the province and below the average in the rest. The usual rainfall statement is appended.

II. *Progress of agricultural operation.*—During the first part of the month, more rain was badly needed for the preparatory tillage for and sowings of autumn crops. Rainfall during the latter part, however, was helpful to the progress of the operations. Harvesting of spring crops was over.

III. *State of standing crops.*—The condition of standing crops was reported to be generally fair.

IV. *Prospects and probable outturn.*—The prospects of standing crops were reported to be, on the whole, fair. The outturn of different spring oilseed crops was estimated at 80 per cent. of the normal for the province.

V. *Damage to standing crops.*—No appreciable damage to standing crops was reported from any part of the province.

VI. *Condition of agricultural stock.*—The condition of live-stock was, on the whole, fair. Sporadic cases of cattle-disease were, however, reported from ten districts of the province and from the States of Cooch Behar and Tripura.

VII. *Failure of pasturage and fodder.*—Supply of fodder was reported to be sufficient except in parts of Jalpaiguri, Darjeeling and Chittagong.

VIII. *Prices of food grains.*—During the second fortnight of the month the retail prices of common rice of the cheapest quality rose in eleven districts and fell in two. The price ranged from 10 seers per rupee at Faridpur to 16 seers per rupee at Birbhum.

IX. *Condition of agricultural population.*—The condition of agricultural population is, on the whole, fair.

M. CARBERY,
Director of Agriculture, Bengal.

In the matter of the Government of India (Provincial Elections) (Corrupt Practices and Election Petitions) Order, 1936, Part III, paragraph 3,

And

In the matter of an election petition for setting aside the election of Maulvi Zahur Ahmed Choudhuri who was declared elected on the 2nd December 1937 to the Bengal Legislative Assembly from the Malda North (Rural) Muhammadan Constituency to fill the vacancy caused by the election having been declared void under notification No. 12464A.R., dated the 31st August 1937,

And

In the matter of an election petition for decision of doubts and disputes as to the validity of the aforesaid election,

And

In the matter of **Sher Mohammed Sarkar**, son of Jhaksu, of Mahanandapur, police-station Kharba, district Malda (elector), *petitioner*,

versus

Maulvi Zahur Ahmed Choudhuri, son of the late Shah Muhammad Choudhuri, of Makdumpur, district Malda (returned candidate), *respondent*.

Report.

In this case the petitioner, Sher Mohammed Sarkar, a voter of the Malda North (Rural) Muhammadan Constituency, has filed a petition in which he seeks to set aside the election to the Bengal Legislative Assembly of Maulvi Zahur Ahmed Choudhuri who was declared to be the successful candidate from the constituency mentioned above. It appears that the respondent originally stood as a candidate from this constituency at the time of the last general election. His election was, however, declared to be invalid. A bye-election was thereafter held on the 15th and 16th of November 1937, in which the respondent was again successful. It is in connection with the result of this bye-election that the present petition has been filed.

From the record it appears that the 27th of September 1937 was the last date for receiving the nomination papers of the candidates in connection with the bye-election. The 29th of September 1937 was the date fixed for the scrutiny of the nomination papers by the Returning Officer. The petitioner, who is an elector of the constituency, claims that the nomination papers of some of the candidates were improperly accepted and that the election itself was vitiated by reason of the fact that no notice of the intended election was published in accordance with the provisions of rule 4, sub-rule 3, of Part II of the Bengal Legislative Assembly Electoral (Conduct of Elections) Rules, 1936, hereinafter called the "Rules."

The petitioner bases his case with regard to the alleged invalidity of the election mainly upon the following facts:—

Under notification No. 7274A.R., dated the 19th March 1937, the Government of Bengal, in exercise of the powers conferred upon them by rule 3 and sub-rule (*1*) of rule 4 of the Bengal Legislative Assembly Electoral (Preparation, Revision and Publication of Electoral Rolls) Rules, 1936, published a list of Returning Officers. Under this notification the Sadar Subdivisional Magistrate of Malda was appointed as Returning Officer in respect of the Malda North (Rural) Muhammadan Constituency. In spite of this notification, however, it is alleged in the petition and in the particulars which were subsequently filed by the petitioner, that six intending candidates filed their nomination papers with the District Magistrate who was not the Returning Officer under the terms of the notification mentioned above. It is said that these six nomination papers were sent to the Subdivisional Magistrate by the District Magistrate on the 29th of September 1937, on which date the scrutiny was held by the former official in accordance with the terms of notification No. 12875A.R., dated the 15th September 1937, which was published in a *Gazette Extraordinary* of the same date. On the day after the scrutiny, one of the candidates, viz., Dr. Kalimuddin Ahmed, withdrew his nomination paper. In the meantime, namely, on the 27th of September 1937, the respondent, Zahur Ahmed Choudhuri, had filed another nomination paper before the Subdivisional Magistrate.

The contention of the petitioner is that the receipt of the nomination papers mentioned in paragraph 9 of the particulars by the District Magistrate was improper and that, this being the case, he had no jurisdiction to make them over to the Subdivisional Magistrate on the 29th of September and, further, that the Subdivisional Magistrate himself had no jurisdiction to accept the nomination papers in question, with the result that the election subsequently held on the 15th and 16th of November 1937 was vitiated.

The further main fact upon which the petitioner relies is that no notice was issued by the Returning Officer as required by the provisions of rule 4, sub-rule 3 of Part II of the "Rules." A notice purporting to have been published under this rule was issued by the District Magistrate on the 16th of September 1937, and the nomination papers which were received by him between the 20th of September 1937 and the 27th of September 1937 appear to have been filed in compliance with the instructions contained in the District Magistrate's notice, dated the 16th September 1937.

The following issues were framed in connection with this case:—

(*1*) Was there any non-compliance with the provisions of rule 4, sub-rule 3 (Part II) of the Bengal Legislative Assembly Electoral (Conduct of Elections) Rules, 1936?

Was the result of the election materially affected by such non-compliance, if any, in the manner alleged in the petition?

(2) Was any nomination paper improperly accepted?

Was the result of the election materially affected by such improper acceptance, if any, in the manner alleged by the petitioner?

(3) To what relief, if any, is the petitioner entitled?

With regard to issue No. 1, it is quite clear that there was a technical non-compliance with the provisions of the rule in question, as the notice of the 16th September 1937 was signed not by the Returning Officer but by the District Magistrate.

The main point, however, which requires consideration having regard to the terms of paragraph 7(1)(c) of Part III of the Government of India (Provincial Elections) (Corrupt Practices and Elections Petitions) Order, 1936, is whether or not the result of the election was materially affected by such non-compliance. In this connection, the evidence indicates that the intending candidates, when they filed their nomination papers, believed that the District Magistrate was in fact the Returning Officer, and there is no evidence from which it is possible to infer that any candidate was prevented from filing his nomination paper by reason of the non-issue of a notice under rule 4, sub-rule 3, of Part II of the "Rules" by the Returning Officer himself or that any voter was prevented thereby from exercising his electoral right. All the nomination papers filed before the District Magistrate were in fact accepted by the Returning Officer. It is true that on the 27th of September 1937, the respondent took the precaution of filing another nomination paper before the Subdivisional Magistrate and that one of the intending candidates, viz., Dr. Kalimuddin Ahmed, withdrew his nomination on the day after the scrutiny, namely, the 30th of September 1937 But the other candidates took no steps in the matter for the purpose of regularizing their position and they actually contested the election, apparently on the assumption that their nomination papers had been properly filed before the Returning Officer in accordance with the provisions of the "Rules." When the result of the election was declared it was found that the number of valid votes recorded in favour of the various candidates was as follows:—

(1) Abul Hyat Khan Choudhury, Khan Bahadur ...	2,747
(2) Mr. K. Ahmed (Barrister)	247
(3) Maulvi Reazuddin Ahmed	81
(4) Shah Zaman Maulvi	631
(5) Maulvi Zahur Ahmed Choudhuri ...	7,666

The total number of valid votes recorded was 11,372. It appears from the electoral roll that the total number of voters on the roll was 32,785.

As far as the candidates are concerned who actually contested the election, it is quite clear that non-compliance with the provisions of rule 4, sub-rule 3, Part II of the "Rules" could have had no effect whatsoever upon the result of the election. It is, however, contended that the result of the election was materially affected by Dr. Kalimuddin Ahmed's withdrawal on the day after the scrutiny, namely, the 30th of September 1937. With regard to this contention the petitioner himself has not given evidence in support of the allegations contained in his petition. Dr. Kalimuddin Ahmed was the only witness examined on his behalf and it is quite clear from his testimony and the other evidence that his chances of ultimate success at the election were nugatory. It is also clear that the respondent, who was actually elected by a large majority of votes, was a person of considerable political importance in the constituency, while Dr. Kalimuddin Ahmed was a person of insignificant standing among the electors and was not connected with any of the local political organizations. The evidence indicates that he withdrew his nomination on the 30th of September primarily because he was convinced that it would be useless for him to continue his campaign in the absence of any effective support and probably because he wished to avoid the danger of forfeiting his security deposit. We

are convinced that the withdrawal of Dr. Kalimuddin Ahmed's nomination made no material difference as far as the result of the election was concerned.

Having regard to the circumstances set forth above we find this issue against the petitioner.

With regard to the second issue, the evidence also indicates that there was a technical non-compliance with the "Rules" as the six nomination papers mentioned in paragraph 9 of the particulars were originally filed with the District Magistrate who was not the Returning Officer appointed under notification No. 7274A.R., dated the 19th March 1937. Mr. Clough argues on behalf of the petitioner that it should be held that the election was materially affected by the improper acceptance by the Subdivisional Magistrate of the nomination papers filed before the District Magistrate because, even if it be conceded that the respondent's nomination was in order, he was realty in the position of an unopposed candidate by reason of the fact that the nominations of the other contesting candidates were invalid. We are not, however, directly concerned with the question of the invalidity, if any, of the nominations of those candidates who opposed the respondent. The question on which our decision is required is whether or not the irregular acceptance of the nomination papers of the candidates other than the respondent materially affected the result of the election.

Whatever may have been the position with regard to the first nomination paper filed by the respondent before the District Magistrate on the 20th of September 1937, there can be no question that the second nomination paper, which was filed by him before the Subdivisional Magistrate on the 27th of September 1937, fulfilled all the requirements of the "Rules." Even if it be conceded that the nomination papers of his opponents were technically irregular, it is obvious that the rejection of all or any of them could not have materially affected the result of the election, as the total number of votes polled by all his opponents fell far short of the number of votes recorded in favour of the respondent.

As regards Dr. Kalimuddin Ahmed, he did not actually contest the election; but even if he had done so, we do not think, having regard to the circumstances of the case and the evidence on record, that he would have received any support sufficient to affect its result.

This issue must also be decided against the petitioner.

In our opinion the evidence indicates that the non-issue of the prescribed notice under the provisions of rule 4, sub-rule 3 of Part II of the "Rules" by the Returning Officer and the issue of a notice purporting to have been issued under that rule by the District Magistrate on the 16th of September 1937, constituted irregularities resulting from a *bona fide* mistake, which in no way misled any candidate or voter. The primary object of the "Rules" is to ensure that sufficient notice is given to candidates and electors with regard to the steps which they should take in connection with an election, and this seems to have been done in the present case. The evidence shows that the nomination papers duly reached the Subdivisional Magistrate not later than the 27th of September 1937, that it was he who held the scrutiny on the 29th of September 1937, and that he performed all the subsequent functions allotted to him under the "Rules" as Returning Officer in connection with the election. In a case of this nature clear evidence should be forthcoming to show that the result of the election has been materially affected by reason of the alleged irregularities, but there is no such evidence before us.

We, therefore, find that the respondent has been duly elected and that the petitioner is not entitled to any relief. We recommend that the petition be dismissed and that the petitioner be directed to pay the respondent's costs amounting to Rs. 250. We report accordingly to His Excellency the Governor of Bengal.

Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

[As introduced in the Legislative Assembly.]

A Bill further to amend the Code of Criminal Procedure, 1898.

WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1898; It is hereby enacted as follows:— V of 1898.

Short title.

1. This Act may be called the Code of Criminal Procedure (Amendment) Act, 193 .

Amendment of section 167, Act V of 1898.

2. In section 167 of the Code of Criminal Procedure, 1898,— V of 1898.

(*i*) in sub-section (*1*), before the words "such Magistrate" the words "the place where" shall be inserted, and after the words "such Magistrate" the words "ordinarily holds his Court" shall be added; and

(*ii*) in sub-section (*2*), after the words "this section" the words "after hearing the accused or his counsel if the accused so desires" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

Section 167 of the Code of Criminal Procedure is intended to provide for the necessity of obtaining remand of the accused to custody, so that the police may be enabled to complete the investigation The Magistrate is required to give reasons for granting the remand. The accused has a right in justice to place his side of the case before the Magistrate, before the reasons given by the police are accepted by the Magistrate Every person charged with an offence is presumed to be innocent till he is convicted of the crime with which he is charged. Hence the detention before conviction should be as short as can conveniently be made. The accused is entitled to be placed on his trial at the earliest moment and should not unnecessarily be detained in custody. Hence it is in the interest of justice that the accused should have a right to be heard before he is remanded. There have been several cases during the recent years where the accused were not brought to the Court before the Magistrate for obtaining the remand The Magistrate was instead taken to the place where the acused was detained. Without giving an opportunity to the accused to be heard, the Magistrates often pass orders of remand after hearing the police side of the case alone. This is not in accordance with the principles of justice. Hence the present amendment is necessary in order to make it obligatory on the part of the investigating authorities to produce the accused before the Magistrate in a calm and solemn atmosphere of Court before any order of detention is passed.

(3) If any person contravenes, or abets the contravention of, any rule made under this section, he shall be punished with fine which may extend to fifty rupees.

Persons authorized under section 13 to be public servants.

16. No suit, prosecution or other legal proceeding shall lie against any person who is, or who is deemed to be, a public servant within the meaning of section 21 of the Indian Penal Code, in respect of anything in good faith done or intended to be done under this Act." XLV of 1860.

STATEMENT OF OBJECTS AND REASONS.

Since the enactment of the Prevention of Cruelty to Animals Act, 1890 (XI of 1890), conditions have materially changed both in the attitude of the public towards the question of cruelty to animals and in the circumstances in which, in modern times, draught animals have to work. That the Act in its present form is inadequate to check some forms of cruelty, and that public opinion in recent years has become alive to the question has been shown by legislation passed from time to time in the Provinces of Bengal and Bombay to make more effective provision for the prevention of cruelty to animals. In particular there has recently been abundant evidence of public opinion in favour of more stringent measures to suppress the practice of "phooka". Except in Bombay and Bengal the Act of 1890 has remained in force in its present form throughout British India. Hitherto the subject has been a provincial one, but it is now open to Central as well as Provincial Legislation, and after ascertaining that the large majority of Provincial Governments are in favour of amendment of the Act by Central Legislation, it has been decided to introdce this Bill with the object of remedying defects which have been found to exist in the Act and in particular to make more effective provision for checking the practice of "phooka".

Papers Nos. I-IV

We, the undersigned members of the Select Committee to which the Bill to control the coastal traffic of India was referred, have considered the Bill and the papers noted in the margin, and have now the honour to submit this our Report, with the Bill as amended by us annexed thereto.

We have completely re-drafted the Bill with the object of providing a more practical scheme for achieving the objects aimed at by the Bill.

We have introduced a definition of "coastal traffic" making it clear that this includes traffic between ports in British India and ports in Ceylon and Burma.

We have introduced a system of registration for the purpose of supplying a more effective means of exercising control over persons engaged in coastal traffic.

2. The Bill was published in the Gazette of India, dated the 25th April, 1936.

3. We think that the Bill has been so altered as to require re-publication.

MINUTES OF DISSENT.

The Bill as amended by the Select Committee is no doubt a considerable improvement upon the original Bill. But all the same we are decidedly of opinion that it will not achieve the object of the Bill, *viz.*, development of an Indian mercantile marine. Nothing short of the reservation of the coastal traffic will solve the problem.

A. C. DATTA.

The 3rd March, 1938.

SANT SINGH.

The 4th March, 1938.

This Bill, if passed into an Act, will be a futile one. I cannot conceive how an Indian mercantile marine can be developed without reserving the coastal traffic to ships brought under an Indian Register. Almost every other country had in the beginning imposed drastic restrictions on foreign ships.

SAMI VENCATACHELAM CHETTY.

The 2nd March, 1938.

This Bill was too bald and too inadequate, in my opinion, before the Select Committee commenced its labours. I was of opinion that unless it was wholly re-drafted it would prove injurious to the very purpose for which it was intended. The improvements effected by the Select Committee do not go far enough to achieve the objects of either reserving coastal shipping to Indian enterprise, or eliminating objectionable practices. In fact, there is substantial danger, under the punitive clause, of the right of complaint being so abused as to send the less resourceful rivals to the wall.

It is a matter of great national importance and the Government should take the initiative in bringing forward a measure which should encourage and protect Indian enterprise. I am far from satisfied with the Bill as it has emerged from the Select Committee.

BHULABHAI J. DESAI.

M. ASAF ALI.

G. V. DESHMUKH.

This Bill, as re-drafted, in our opinion still contains the objectionable features which were mentioned during the debate on the motion for its reference to this Select Committee, whilst its scope has been widened so as to include goods and passengers carried between India and Burma, and between India and Ceylon. We are opposed to clauses 2—8 inclusive.

N. N. SIRCAR.

M SLADE.

F. E. JAMES.

C. C. MILLER.

We agreed to the changes made in Select Committee under the impression that it was competent to us to make the changes. Since the meeting of the Select Committee we have been advised that the definition of the term " Coastal Traffic " in clause 2 and the consequential provision in clause 5 extending the scope of the term to ports in Ceylon and Burma, is not only too wide, but beyond the competence of the Indian Legislature. We shall, therefore, object to such extension and shall want to limit the definition and the operation of competition to ports in India only.

Penalty.

6. Resolution on the annual report on the Survey and Settlement Operations in Bengal for the year ending the 30th September 1937.

GOVERNMENT OF BENGAL.

Revenue Department.

Land Revenue.

RESOLUTION—No. 274T.R.

Darjeeling, the 14th May 1938.

Read—

The annual report on the Survey and Settlement Operations in Bengal for the year ending the 30th September 1937.

Traverse survey was done by the method of post-pointing over an area of 1,091 square miles in Dinajpur and by the ordinary method over an area of 1 square mile only in the same district. Minor traverse work was carried out in a total area of 114·45 square miles scattered over several districts in the province. In addition the Survey Department did work of considerable value in comparative mapping, demarcation of boundaries and reproduction of maps. The total number of sheets printed was 13,120 against 11,062 in the previous year.

2. Major settlement operations were in progress in the districts of Rangpur, Dinajpur, Howrah and Hooghly, while minor settlements as well as the maintenance operations under section 158A of the Bengal Tenancy Act were conducted in sixteen districts.

3. The total area for which a record-of-rights has been completed is 60,782 square miles out of a total of 65,231 square miles to which the Bengal Tenancy Act applies. The maps and the records are as popular as ever and their usefulness in every branch of the administration is universally recognised.

During the year under report the privilege of certificate procedure was granted to twenty-eight estates. In view of the impending repeal of section 158A as proposed in the Bengal Tenancy Amendment Bill, a tendency was noticed on the part of some of the privileged landlords to postpone maintenance operations in their estates until the final result of the Bill was known.

4. Rai Bijay Bihari Mukherji Bahadur was in charge of the department throughout the year, except from the 7th to the 9th May 1937, when he was on leave, and Rai Nepal Chandra Sen Bahadur acted in his place. The Governor has much pleasure in acknowledging the efficiency and care with which the department of Survey and Settlement have been managed in the year under review. He is also pleased to direct that the good work done by the Survey Officer Major C. B. Sexton, the Settlement Officers Messrs. A. C. Hartley, F. O. Bell, S. B. Hatch-Barnwell, Rai Nepal Chandra Sen Bahadur, Rai Romesh Chandra Sen Bahadur, Rai Sahib Hira Lal Sen and by other officers mentioned in the last two paragraphs of the report be recorded.

Order—Ordered that the resolution be published in the *Calcutta Gazette*.

N. V. H. SYMONS,

Secy. to the Govt. of Bengal.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 9th May 1938.

Final Forecast of the Wheat Crop of Bengal, 1937-38.

[*Note.*—On an average of the five years ending 1935-36, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1935-36, averaged (*a*) 41·7 and (*b*) 9·7 per cent. respectively.]

Character of the season.—As reported in the third forecast, the conditions have remained practically unchanged. The growth of the crop has been adversely affected by prolonged drought. On the whole, the season has been a fair one for the crop.

Acreage.—According to District Officers' estimates, the total area sown is 160,900 acres this year as against 149,500 acres last year.

Outturn.—The provincial outturn as worked out from the district estimate is 80 per cent. of the normal as against 84 per cent. last year. Taking the normal yield to be 9¾ maunds per acre, the gross yield of the crop for the province is estimated at 45,400 tons this year as against 44,300 tons (revised) last year.

At the end of April the wholesale price of wheat in the Calcutta mart was Rs. 3-5 annas per maund or about 16 per cent. lower than the price ruling at the corresponding period of last year. The price of common rice at Calcutta, on the other hand, was Rs. 4-2 annas per maund or about 3 per cent. higher than last year.

M. CARBERY,

Director of Agriculture, Bengal.

RULES.

1. (*i*) A candidate who desires to appear at the examination shall apply to be admitted to the examination before such date and in such form as the Federal Public Service Commission may prescribe. The application shall be made through the Collector or Deputy Commissioner of the district in which his parents reside at the time of the application, or have previously resided for a period of not less than three years, or in which he has himself resided, otherwise than as a student at an educational institution only, for a like period.

(*ii*) In the case of Calcutta, applications shall be submitted through the Commissioner of Police.

(*iii*) Cadets of the Prince of Wales's Royal Indian Military College, Dehra Dun, shall submit their applications through the Principal of the College.

(*iv*) A candidate resident in an Indian State shall submit his application through the Durbar, who will forward it to the Political Officer or Agent.

(*v*) No candidate shall make more than one application in respect of this examination.

(*vi*) A candidate shall, except in very exceptional circumstances, appear personally before the District Officer or the Political Officer or Agent who signs the attestation form.

2. A candidate must be an unmarried man and either—

(*a*) A British subject of Indian domicile or an European, Anglo-Indian or Indian of Burman domicile whose father (if alive) is a British subject or a subject of a State in India, or a British protected person of the tribal areas; or (if dead) was at the time of his death either a British subject or a subject of a State in India or a British protected person of the tribal areas, or a person in the permanent service of the Crown or a person who had retired from that Service;

(*b*) a Ruler or a subject of a State in India or a British protected person of the tribal areas.

Provided that in the case of a British subject the requirements of this rule may be waived by the Secretary of State in Council if he is satisfied that their observance would occasion exceptional hardship, and that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

3. A candidate must furnish a declaration from his father or guardian, in the form prescribed, that the latter is in a position, and will be prepared to discharge the financial obligations attaching to the candidate's training for appointment to the Royal Indian Navy. Should it be found that the declaration in regard to discharge of financial obligations during the period of training is false in any respect, the candidate will be liable to immediate removal.

4. The maximum number of candidates to be admitted to the examination may, in the discretion of the Governor-General in Council, be limited to such number as the Governor-General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit, the Federal Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers in the Royal Indian Navy.

5. A candidate for this examination must have been born not earlier than the 2nd May, 1919 and not later than the 1st May, 1921.

6. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a commissioned officer in the Royal Indian Navy. A candidate who after examination by a Medical Board is found not to satisfy these requirements will not be accepted for admission to the Service.*

*Only successful candidates will be medically examined. Candidates are recommended to consult a Civil Surgeon as to their physical suitability before entering for the examination.

7. A candidate must satisfy the Federal Public Service Commission that he is suitable in all respects for employment as a commissioned officer in the Royal Indian Navy.

8. The decision of the Federal Public Service Commisson as to the eligibility or otherwise of a candidate shall be final.

9. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Federal Public Service Commission.

10. Any attempt on the part of a candidate to enlist support for his application will disqualify him for admission to the Royal Indian Navy.

11. Candidates must pay the following fees:—

(*i*) Rs. 7-8-0 with the application form,

(*ii*) if accepted for admission to the examination, Rs. 50 immediately after the receipt of the certificate of admission.

(Only Treasury Receipts for these amounts will be accepted by the Federal Public Service Commission.)

(*b*) in any place in a mine in which there is or is likely to be any such quantity of inflammable gas as to render the use of naked lights dangerous;

(*c*) in any working near a place in which there is likely to be an accumulation of inflammable gas; or

(*d*) in any ventilating district of a mine in which inflammable gas has been found during the previous twelve months.

(*2*) If any difference of opinion arises between an Inspector and a manager on the question whether the conditions specified in clauses (*b*) and (*c*) of sub-regulation (*1*) exist in any mine, the question shall be referred to the Chief Inspector whose decision thereon shall be final.

It is situated on the Mainamati Hills, in the district of Tippera, four miles west of the Comilla railway station, on the Assam Bengal Railway. The Dacca-Chittagong Trunk Road runs close to the site of the school. It is healthily situated and occupies a picturesque site.

2. The Principal is charged with the general control of the school and the maintenance of discipline.

3. The school, which is ranked as a major institution, is affiliated to the Survey Education Advisory Board, Bengal, for the Survey Final and the Amin Examinations.

4. In addition to the ordinary course, the school trains special students who do not intend to earn their living as Surveyors but wish to receive training in surveying ; candidates for appointment as district kanungos or any Government official rank as special students.

5. The total number of admission to the first year course is limited to 50, of whom not more than 10 may be special students ; for the second year course not more than 30 shall be admitted in any one year, and not more than 5 of these may be special students.

6. The full course of instruction extends over two years. The session for the first year course, which corresponds to the Amin standard, begins from the 1st August and terminates on the 31st July of the following year. The session for the second year or the Survey Final course, begins from the re-opening day of the school after the Durga Puja holidays or from such date as may be notified by the Principal, not later than 1st November. The second year course also runs for twelve months. No student shall be admitted, or, in case of reinstatement after removal of his name from the school books, be re-admitted after the expiry of one month from the opening of the session, or from the date of removal of his name, as the case may be.
